Railway Paths & Sustrans

Railway Paths Ltd is a specialist charity which owns and manages a portfolio of former railway land and structures. Railway Paths is the sister charity to Sustrans and manages Sustrans' property holdings.

Sustrans is the charity that's enabling people to travel by foot, bike or public transport for more of the journeys we make every day. Our work makes it possible for people to choose healthier, cleaner and cheaper journeys, with better places and spaces to move through and live in.
